Hi Jayne--

Letter looks good. I only have one minor suggested word change. Both Joelle and Jeff are out of the office until after the 25th so I'm not sure they will be weighing in again. Joelle was comfortable with earlier draft and only minor, non-substantive changes have been made since then.

Hi All,

See below.

Given that Jeff is out until July 31, I don't believe he needs to be part of the review. Once the managers and Steve & JB are comfortable with the report, then we should forward to Kris Swanson for a final review before Christine emails the report to Nina.

Okay?

Hi all,

-
I got a phone call today from Paul Kampmeier. He asked me when the letter was going out to Oregon, and I told him it would be sent soon. He also asked whether we were going to get back to him about the mechanism for conducting the bi-monthly check-ins.

Steve, JB, and Jeff--

-
Please see attached clean copy of the status update we plan to send NWEA by July 30. It has been reviewed by tech and mngt teams. I believe Kris Swanson also mentioned he would like to review so perhaps you can coordinate with him as well.

-
Please provide any edits by COB July 22nd so we have time to reconcile any differences before Christine sends by email.

-
Thanks,

Allison
